

iVueRobotics

iVue RoboRepair+ is a service plan for repairing and supporting iVue Robotics products both during and after the included manufacturers warranty.

With iVue RoboRepair+, operate your product with support and worry free of system failures, component malfunctions, and manufacturing defects. Following an incident with a device covered by iVue RoboRepair+:

1. File a claim via email, phone, or online.
2. Using the provided packaging material, send in your device for repair.
3. Receive your ready to operate device in an average of 2 - 4 weeks.
